Public Hearing for Keno warrant article:

Public Comment

Review of Minutes February 12, 2018

MOU Recreation Commission: *Does the Board approve the proposed amended MOU for the Recreation Commission?*

MOU Conservation Commission: *Does the Board approve the proposed amended MOU for the Conservation Commission?*

Haley Property Conservation Easement: *Does the Board support the Conservation Commission acquiring the Haley Property Conservation Easement?*

**All Boards Meeting:** Conservation Commission noted it discussed commission goals the other day, one of the issues that came up is our desire to improve communications with other town boards – esp. PB and BOS. We were recalling that many years ago, once or twice a year the town would have an All Boards Meeting, where there could be brief presentations from each of the boards one what it was doing, what questions, it had for others, etc., with time for a bit (not lots, of course!) back and forth.

The CC would like to know if there's any chance those meetings could be revived?
